

- Get some easy lab points.

Instructions

Resources

Create our beloved CAP3 database
<http://www.labouseur.com/>

1. Execute the following queries:

```
select *  
from customers;  
select *  
from agents;  
select *  
from products;  
select *  
from orders;
```

Take a snapshot

2. Explain the following queries:

```
select *  
from customers;  
select *  
from agents;  
select *  
from products;  
select *  
from orders;
```
3. Write a query to find the name of the product that is not in the database.
4. Explain the following queries:

```
a. The query to find the name of the product that is not in the database.  
b. The query to find the name of the product that is not in the database.  
c. The query to find the name of the product that is not in the database.
```
